2018 Impact Report

A Message from Our Leaders

Stephen Colecchi

Michael Weinhardt

We are pleased to share with you highlights of our work in 2018, featured on the next page. Thanks to our supporters and the diligence of our dedicated and hardworking staff, we continue to deliver programs and services of the highest quality.

From a humble beginning of caring for just one child in need, Hattie Gadd Larlham's tireless work to bring comfort, joy and achievement to people with intellectual and developmental disabilities became an honored legacy. As we continue to grow and improve our programs and services, our growth is firmly guided by that tenet; we have always, and will always, find new and better ways to bring comfort, joy and achievement to the lives of the people we serve.

Our commitment to Mrs. Larlham's legacy- to provide the innovative care and opportunities that people with intellectual and developmental disabilities deserve- requires a vast amount of resources, hard work and dedication. Each donor, company, foundation and organization listed on the following pages made a pledge to improve the lives of those we serve. Your donations, time and resources directly impact the lives of people with intellectual and developmental disabilities throughout Northeast and Central Ohio.

With your support and continued dedication, together we will continue reaching higher and doing more to enhance the lives of children and adults with intellectual and developmental disabilities in our communities.

We're Doing
MORE

NEARLY
6,000
VOLUNTEER HOURS

Whether they're leading an activity, attending a field trip, spending quality time with a medically fragile child, or helping spruce up our facilities, our volunteers are doing more to enrich the lives of children and adults in our programs.

MORE THAN
\$985,000
RAISED

Through the generosity of our donors who believe in the mission and vision of Hattie Larlham, we are able to continue providing more innovative programs and services.

EXPENSES

\$46,996,171

REVENUE

\$50,988,423

More *LEARNING*

Nearly 100 Columbus-area preschoolers and toddlers and their families participated in our Dahlberg Gibson Learning Center early intervention program to get set for kindergarten. At the Center for Children with Disabilities, 38 students in grades Pre-K through 12 began another academic year through our on-campus Capstone Academy.

More *THRIVING*

The children and adults who live in a Hattie Larlham residence experience the social and emotional benefits of living among peers and building relationships. In 2018, 357 residents grew their sense of independence and ability to make choices for themselves – all while still receiving the care they need.

More *ACHIEVING*

People with intellectual and developmental disabilities are willing, able and ready to work! Hattie Larlham's employment services, work training, Summer Youth Work Experience, and Columbus-based "Transition To Work" programs together helped 285 teens and adults on their journeys to achieving their employment goals.

More *EXPLORING*

In 2018, residents of our Center for Children with Disabilities and Group Homes, and participants in our Constant Companions, Addventures, and Franklin County Recreation programs enjoyed nearly 6,000 opportunities to explore and give back to their communities.

Together, We're Doing More

By investing in our mission of providing comfort, joy, and achievement to the people we serve, you are doing more to help people with intellectual and developmental disabilities. Thank you for supporting them and making so much more possible. The following pages list donors who contributed to Hattie Larlham in 2018.
